

Anton Gunn INTRO

(to be read by the person introducing Anton at your event)

Our first speaker is a former senior advisor to President Barack Obama and a national expert on Workplace Justice. Fierce Healthcare recently named him as one of the *Ten Most Influential Minority Executives in Healthcare*.

He is a graduate of the University of South Carolina, where he played SEC football for the Gamecocks. He was also a Resident Fellow at Harvard University.

As a keynote speaker and leadership consultant, some of his clients include top organizations like Microsoft, Mercedes-Benz, Pfizer, T-Mobile, Verizon Wireless, and The Boeing Company.

His presentations challenge people to think differently, act differently, and turn their workplace culture from wretched – to world-class.

Please welcome... **Anton Gunn.**
