About Us -

HEARTnomics® is a leadership development firm that helps organizations cast vision, build culture, and lead change—even in the face of uncertainty.

Founded by award-winning strategist Hanna D. Bauer, HEARTnomics blends strategy, behavioral insight, and a people-first approach—rooted in Love and Excellence.

We offer customizable training, assessments, team workshops, and high-impact keynotes designed to help leaders navigate disruption, align strategy with execution, and build lasting momentum.
Our signature frameworks
—HEART™, BEAT™, and **CORE™—**
provide clear, actionable pathways for leaders to grow with purpose, clarity, and agility.

Why HEARTnomics Works -

✓ **Built for Uncertainty –** We equip leaders to pivot, reset, and execute in rapidly changing environments.

✓ **Proven Frameworks – HEART, BEAT, and CORE** provide clear roadmaps for personal and organizational growth—and deliver structure and clarity when the path isn't clear.

✓ **Assessments That Guide Action –** Our process begins with insights, moves into strategy, and results in meaningful impact.

✓ **Strategic & Customizable –** From keynotes and assessments to coaching and team workshops, every engagement is tailored to align vision, people, and performance.

✓ **Human-Centered, Results-Driven –** We blend emotional intelligence with business strategy to drive lasting outcomes.

✓ **Trusted Across Sectors –** We support corporate, nonprofit, and entrepreneurial leaders navigating growth and change.
