

Ministry Builders Workshop Series– 100 Staff for the Price of 1

Hey Pastor, do you find yourself wondering – ARE WE DOING CHURCH *THE BEST WAY* POSSIBLE?! Do you feel your church's budget is overwhelmed by staffing costs? Are you struggling to keep up with an ever-growing list of tasks and projects?

It's time to rethink your staffing model! Traditional wisdom says to keep staffing costs between 45-55% of your total budget. But what if you could do better?

In this part of my Ministry Builders Workshop, you'll discover innovative strategies to achieve greater efficiency and effectiveness without breaking the bank.

Experience transformative benefits:

- **MAGNETIZE Outreach:** Attract more volunteers and guests to your church effortlessly.
- **GALVANIZE Your Team:** Unify your staff with a simple, adaptable language that eliminates ministry silos.
- **SIMPLIFY Discipleship:** Implement an easy-to-deploy process with greater results.
- **REDUCE EFFORT:** Focus on your strengths while driving impactful life changes across your ministry.

PLUS, gain these additional advantages:

- Efficient conflict resolution practices
- Integrated leadership development across all departments
- Clear staff expectations and roles
- Implement user-friendly systems to mobilize your congregation
- Enhanced productivity and camaraderie through effective communication
- A fun and engaging volunteer program that keeps participation and retention sky-high

Don't let budget constraints and inefficiencies hold your ministry back. Host this workshop and transform your church's staffing model for a more dynamic and impactful ministry.

If you're ready to take this transformative step in the culture of your ministry, let's set up a call and talk through your particulars and discuss how to implement this workshop in your ministry context. [Schedule a call](#)
