SIGNATURE SPEAKING EXPERIENCES

Biblically grounded messages that move a church from waiting to equipping.

The People You're Praying For Are Already in the Room

FORMAT: 45-60 minute keynote | Staff workshop | Volunteer gathering

Most churches do not need another stage invitation. They need a relational process that helps people become known, personally invited and clearly guided toward their next step in following Jesus.

Jesus Sent Them Before They Were Ready

FORMAT: 45-60 minute message | Staff and elder retreat

Jesus developed ordinary people in motion. Kevin helps churches replace perfection-driven hesitation with faithful, structured participation and trust in the Spirit's work.

The Church Was Never Meant to Wait

FORMAT: Conference session | 60-90 minute workshop

Reactive ministry keeps pastors buried in problems. Proactive conversations uncover calling, capacity and possibility already present in the congregation.

THE KEVIN ELWORTH EVENT EXPERIENCE

01

BEFORE THE EVENT

Kevin listens for the church's theological language, leadership pressure and desired movement - then prepares for that context.

02

ON THE PLATFORM

Biblical narrative, candid observation and practical questions help people see both the calling and the next faithful action.

03

INTO IMPLEMENTATION

The message can continue through staff workshops, Fully Engaged Church training and guided implementation support.

WHAT AUDIENCES SAY

"Kevin understands, helps, and starts right where you are."

M.D. / EXECUTIVE PASTOR, CROSS POINTE CHURCH / ESPEAKERS REVIEW

PLANNER CONFIDENCE

Kevin understands the pressure pastors carry and speaks with both conviction and care. He helps ministry audiences see what is already present, name the next faithful step and move toward engagement without making the pastor the hero of every solution.
