

## Introduction

It is my privilege to introduce you to our keynote speaker today. He comes to you with real life experience in changing environments and cultures in multiple industries. He is a pharmacist, owned 3 independent pharmacies and started a vitamin and supplement company, SolutionsRx, that is in over 600 independent pharmacies across the nation. He has spent the last decade educating, consulting, and training entrepreneurs to overcome David and Goliath type situations. He has spoken to thousands of people over the last few years with expertise in areas of emotional intelligence, accountability, culture, and praise, and shared the stage with John Maxwell, Magic Johnson, and Kevin O'Leary.

In his free time, he has coached multiple types of sports teams to championship seasons and had 15 players he coached go on to play college level. He has a proven method for changing normal cultures into Super Cultures. Please give an energetic welcome to..... CHRIS CORNELISON
