

"We all face hurdles in our lives. We have the power to go over them, go around them, or knock them down; and if they knock us down, we have the power to get back up and keep going on."

- Russell W. Scott

SUCCESS THROUGH THE POWER OF INTENTION

"I found the presentation motivational inspiring and effective."

- Elaine Williams, Council Member & Chair of the Community, Health and Environment Committee (CHEC)

"...a huge hit with our federal workers. He used relevant examples to connect with the nation's public servants and empowered each participant to be focused, concise, yet captivating in their approach."

- Ivana M.,
Federal Program Manager

"...with expert techniques...helped me realize the power of doing things intentionally. It not only helps me reach my goals but I'm doing things with a purpose and with passion."

- Nicole A., DoD Team Lead,
Air Force Cyber Lieutenant
