

## **Sanctuary**

AN AMAZON BEST SELLER

After being attacked by a rogue vampire and abandoned in the woods to die, Sienna is rescued by Madame Valene—the most powerful vampire in the region. While working for Valene at the Sanctuary Cafe, Sienna’s new found family help her cope with her own death and build a new life...all while serving blood transfusions to her handsome suitor & others who seek justice on her behalf. This peculiar bunch of vampires (including a scientist, a queen, and a priest) take Sienna in and scour the territory for her assailant. When she finally faces him, a new power is unleashed—one the vampiric world has never seen. This confirms Madam Valene’s fears and suspicions about Sienna's true heritage—ushering in a new era for the Vampiric World.

## **La Mamá-cita Mafiosa**

COMING JUNE 2025

Just before El Día de los Muertos, Graciela's toxic ex-boyfriend returns to their tiny hometown in South Texas after years away in the big city. As La Jefa de Las Consucencias, she must determine if he has reformed his brutal ways or needs to mysteriously disappear in order to protect her loved ones. Calling in a hit is not something Gracie takes lightly. She gives her ex chance after chance to redeem himself. But, he hasn't changed for the better. He's gotten worse. Gracie's ex was the beginning of her trauma. She spent years reclaiming her power by embracing her sexuality and utilizing it as a secret weapon to protect others from suffering a similar fate. Ultimately, she decides to bring peace of mind to her friends by handling him herself. With the assistance of her primary lover, Graciela finds creative methods to move on. But, the trauma he inflicted lingers, threatening her self-control. Brash actions could land her back in jail, jeopardize her current romantic relationships, or worse-- cost the lives of those she's sworn to protect.
