

Nejat Abdurahman

Managing Up. Strategic Influence. Emotional Intelligence.

Speaker Introduction

Nejat Abdurahman is a leadership expert, keynote speaker, and founder of N-BAC, a leadership development firm focused on helping professionals lead up, across, and down with greater effectiveness. She is the author of *The Art of Managing Up* and a certified leadership and emotional intelligence coach. Her work focuses on helping leaders strengthen their influence, align with strategic priorities, and navigate complex stakeholder dynamics. Nejat has delivered leadership development programs and keynote sessions for global organizations and has spoken at ATD and SHRM. Her sessions are practical, engaging, and immediately applicable.
