

LACEY ARTEMIS

THE SENSORY NERD

SPEAKER, CONSULTANT, RESEARCHER
SENSORY ACCESSIBILITY SPECIALIST

Lacey is a sensory accessibility speaker and educator who helps organizations and events design spaces that people don't need to recover from.

She mixes real sensory science and lived experience with creative storytelling and humour to help both people and businesses thrive.

"I gained a lot from your talk and I hope more people get to learn from you about sensory inclusion"

*-Uli Egger
(Rick Hansen Foundation)*

"I am consistently in awe of the work that Lacey produces"

*-Jennifer Magee
(Inclusive Workplace Supply Council of Canada)*
