

# SPEAKER INFORMATION

Chris Sauls is a Maxwell Certified Leadership Team Independent Executive Director and creator of The Self-Leadership Blueprint. He helps professionals lead through change—especially in seasons of burnout, disruption, and reinvention.

## Most Requested Topics:

- Beyond the Prompt: Leading Humans in an AI-Driven World
- The Self-Leadership Blueprint
- From Burnout to Breakthrough
- The Comeback Code

Ideal Audiences: Tech leaders, faith-based leadership groups, HR teams, and professionals navigating transition.

Location: Raleigh, North Carolina | Available for in-person and virtual events

## A/V Needs:

- Wireless lavalier microphone (preferred) or headset mic
- Projector with HDMI input and screen
- Confidence monitor (if available)
- Audio playback capabilities for video clips (if used)
- Lighting: Standard stage lighting with no spotlight required

## Room Setup:

- Preferred Setup: Theater or Classroom Style (depending on audience size)
- Stage Position: Center stage with space to move freely
- Podium: Optional – prefers a wireless lavalier mic and freedom to move
- Seating: Prefer no more than 8 chairs per row for visibility and engagement
- Table Setup (for workshops): Round tables with 5-6 chairs each, if applicable
