**Ladies and gentlemen... get ready.**

Our next speaker is not just a voice—you're about to experience a movement.

He is the Founder and CEO of Pruitt Motivational Network and The Power of Dad, an organization committed to transforming families and restoring the role of fathers across this nation. Over the past 20+ years, he has traveled across the country—and around the world—equipping leaders, inspiring teams, and helping people break through barriers to live with purpose and power.

A former AP First Team All-American Running Back and one of the nation's leading rushers, he learned early what it means to lead under pressure, fight through adversity, and win when it matters most—and now he brings those same principles to organizations, businesses, and communities everywhere.

He is a certified John Maxwell Speaker, Trainer, and Coach—and was recognized as one of the Top 100 Leaders in the nation for his impact through his work with The Power of Dad.

You may have seen him featured on an international television show reaching over 170 countries... or working with organizations like the NBA's Phoenix Suns, Orlando Magic, Charlotte Bobcats, and major companies across the U.S. and beyond.

But more than the titles... more than the accolades...

This is a man with a message. A message that doesn't just motivate—It transforms.

A message that doesn't just inspire—It activates.

So I need you to do me a favor...

Lean forward.  
Lock in.  
And get ready.

Because your life, your leadership, and your perspective are about to shift.

Please help me welcome... **Brian Pruitt!**
