Meet Deborah

Best-Selling Author, Entrepreneur, Competitive Performance Expert, Researcher, Swimming Champion, Broadcaster, and *The Pit Bull In A Skirt*

PROMOTIONAL BIO

From Trailer Park to Queen of our Hearts: a swimming champion turned author, broadcaster, & competitive performance expert, Deborah helps hundreds of companies and organizations advance to new levels of success while working and living in the fast lane. Better known by many Fortune 500 companies as the *Pit Bull in a Skirt*, Deborah is rising to international prominence with a captivating, entertaining, humorous, and sassy presentation style. Deborah's competitive practice comes from living in the fast lane; being a Marine Brat to growing up in a small 16-foot trailer, a real-life wedding crasher to an Olympic Trial swimmer, a ground-breaking leader as one of the first female broadcasters with CBS Sports and a longtime hospitality sales veteran. With a laundry list of honors, Deborah is most recently named Smart Meetings Magazine's Top 50 Smart Women Leaders, CNN's 2021 top 75 motivational speakers worldwide, Meetings Today Magazine Top 20 Meetings Trendsetters, Fabulous Arizona Magazine's Fabulous People to Watch and crowned as Mrs. Arizona 2020/2021 and now reins as Mrs. American Queen 2021/2022. Deborah lives in Phoenix, Arizona with her husband and her 4-legged lover boy, Bear.

Signature Keynote

A Girl and Her Boots:

A Love Story To **S**elf-Worth, **E**mpowerment, **L**ife, and **F**reedom

As a hard-working woman in a highly competitive world, having goals is just not enough to succeed. And, when dealing with the massive changes that have recently affected every facet of your life, it's time to take back the power and lead into new experiences moving forward.

A victim of bullying to becoming one of the most famous beauty queens, Deborah will take you on a journey from disappointment and struggles to finding love. Based on her popular book, A Girl, and her boots; A Love Story to Empowerment, watch as Deborah discovered the boots that got away, were made for walking, and that's just what they do. Highly participate to discover your love for empowerment, elevate your leadership, influence, and mindset to triumph your dreams and passions.
