## STEP AWAY FROM THE WORLD

*The Healing Power of Crafting, Creativity & Finding Stillness in a Noisy World*

60–90 min • Keynote or Workshop  
Live Loom Knitting Demo Available

### ABOUT THE PROGRAM

We live in a world that never stops. The news is always on. The phone is always buzzing. Somewhere along the way, we forgot what our grandmothers knew — that the best way to quiet a loud world is to pick up something beautiful and make it. This program leaves audiences not just inspired — but ready to step away, even for just an hour, and remember who they are when the noise stops.
