

**Bestselling Author. Global Speaker. Adventurer.**

---

Our next speaker is a best-selling author, motorcycle racer and adventurer who has ridden in some of the most extreme places on earth, from the scorching deserts of Mauritania to the high-altitude salt flats of Bolivia, and over 40 countries across 6 continents.

But there was a place that he never wanted to go, a journey that would push him to his limits and shape his life forever.

Please join me in welcoming Joey Evans.
