STACEY ASHLEY

LEADERSHIP VISIONARY

People describe Dr Stacey Ashley as the leader's leader. The person who can help to make the complex simple. Able to offer the simple, practical, next step, in a strategic context. The person leaders lean on when they are facing situations and circumstances that are at the same time challenging, exciting, offering opportunity, and often moving through uncharted territory. A pathfinder if you like.

In 2023 Stacey received the Thought Leader Of The Year Gold Award at the International Stevie Awards for Women In Business in New York. One of her 14 Stevie awards. She has been twice named in the global LinkedIn Top Voices and multiple times Thinkers360 Top Voices globally and for APAC, including 2025.

With a talent for translating complex concepts into simple and practical ideas for immediate application, Stacey is the author of seven Amazon #1 best-selling books about leadership.

Stacey is focused on future proofing CEOs. Their leadership, their people, and their organisations. She has helped 1000's to develop their leadership competence, confidence, and credibility so they can:

- ✓ Build the practical foundations for effective leadership
- ✓ Get out of the trenches, to lead strategically & with influence
- ✓ Transition quickly and effectively to leading larger, more complex portfolios
- ✓ Effectively lead change and transformation
- ✓ Create a leadership coaching capability
- ✓ Create the space to lead, for greater influence and impact
- ✓ Create High Performance executive teams - enabling rather than impeding progress
- ✓ Develop horizon thinking

CONFLUENCE

Minutes To Midnight

Explore the megatrends of leadership relentlessly moving us towards a global leadership crisis. The convergence of factors creating the gap between the leaders we have and the leaders we need.

An insufficiency of the real leaders we need to create the future. The people who recognise, embrace and act on the tremendous responsibilities which come with the privilege of leadership.

This session shares ideas and questions that provoke real leaders to action.

YOUR AUDIENCE WILL LEARN:

- The consequences of the leadership confluence
- The role of real leadership
- The ecosystem of leadership development
- The opportunity to act

BIG LEADERSHIP

If not now, when?

In this interactive session, Stacey shares the changing landscape of leadership, and the need for a fuller, more holistic and human approach. Leadership that is impactful, ever enhancing and evolving. That has a greater perspective, considering both tactical solutions and strategic relevance.

What got us here will not get us there. We need Big Leadership. We need bigger thinking. We need bolder decision making. We need brave action to create the future.

It is time for leaders to go big.

YOUR AUDIENCE WILL LEARN:

- Straightforward insight into what makes it important for leaders to adopt Big Leadership
- The impacts if they do not
- Practical ideas and approaches for how to adopt Big Leadership

POWER UP

Nourish your leadership energy, outlook & wellbeing

Leading significant change and transformation is no easy task. After months and years of being attention out, giving generously to the people and world around them, leaders are feeling the effects of leading enormous change.

In this interactive session with Stacey, learn how to support your leadership of self, creating a sustainable way for you to lead, so you continue to show up every day. Develop your energy, positivity, resourcefulness, outlook and resilience.

YOUR AUDIENCE WILL LEARN:

- How to support their leadership of self
- How to create a sustainable way to lead
- Opportunities to develop their energy, positivity, resourcefulness, outlook & wellbeing
