MASTER MIND GROUPS

My facilitated groups offer a combination of masterminding, peer brainstorming, education, accountability and support in a group setting to sharpen your business and personal skills. By bringing fresh ideas and a different perspective, mastermind groups can help you and your team achieve success.

SPEAKING & WORKSHOPS

I will provide effective team communication and structure that is important for forging relationships and equipping your team with the proper attitudes to develop leaders within. We will work through goal setting and communication exercises that will bring cohesiveness to your group ultimately increasing productivity.

COACHING

My coaching involves the ability to understand you: to think how you think, and understand your perspective. From this benchmark, I will place another perspective on top of yours – stretching and growing you to gently see a more empowering way. As a Maxwell Leadership Certified Team member, I see the obstacles you're navigating now and can help you prepare for what's next.

LEADERSHIP ASSESSMENT

The Maxwell DISC assessments and reports raise the awareness of individuals by helping them understand:

- Their communication style.
- The communication style of others and how to connect to them.
- The ideal environment where they can bring their best forward.
- Their strengths in 7 key areas of influence.
- And how they can grow into their potential.
