MEDIA KIT

Hi. I'm Maria!

LEADERSHIP SPEAKER & REINVENTION COACH

Hi, I'm Maria Moss — leadership strategist, speaker, and reinvention coach. I believe that some of the best business ideas, boldest moves, and strongest leaders are shaped not by “yes” — but by what happens after a “no.” Over nearly a decade working in leadership development inside Fortune 500 companies, I saw how resilience, clarity, and purpose emerge through the setbacks and pivots we all face.

Today, I work with leaders, entrepreneurs, and organizations of all sizes — helping them turn rejection into fuel for stronger strategy, more authentic leadership, and deeper impact. Whether I'm on stage, coaching behind the scenes, or leading workshops, my mission is simple: to help people embrace reinvention and create success on their own terms.
