Dear Dr. Williams,

A sincere and heartfelt Thank You for speaking at our school on December 16, 2009. Your speech was powerful, motivational, and inspirational. As indicated by the silence in the group, your speech truly touched the students and the adults listening to your life story. Many students were awed by your speech and expressed such to me. Judging by the enclosed student notes to you, there is no doubt in my mind that you made a difference.

Please know that your effort to be here to speak has been noted. I am sure we will see you again in the not so distant future.

Sincerely,

Phyllis J. Cournan
