

EU Salt Annual Conference 120 Senior Industry Leaders

The EU salt industry has vastly different organisations - traditional salt pans, vast mines and high pressure extraction. I focused on their common needs - great task delivery, getting the best from people and alignment, with actions to go and make it happen.

Event organisers –

“Chris Roebuck was knowledgeable, engaging and collaborative. His keynote on leadership in the workplace was very much appreciated and got many compliments.”

Building Human Capability 420 HR Leaders

A truly special event hosted at Benfica FC stadium in Lisbon. HR alone can't make organisations successful so my focus was how HR could collaborate to enable line managers to be better at growing Human Capability in their organisations to Accelerate Success.

Feedback - Fabio Alves, HR Manager Santander –

“Chris, it was an absolute pleasure learning from you at the forum. Your insights and expertise in leadership not only captivated our audience but also sparked a wave of inspiration among us all.”
