**Dr. Linda R Jordon** is a dynamic international speaker, high performance coach, Amazon Best Selling author and trainer who has devoted her career to helping women transform their lives. With over 30 years of professional leadership experience, Dr. Jordon's work focuses on cultivating a winning mindset, enhancing communication skills, and inspiring individuals to embrace leadership roles. As the founder of LRJ Coaching & Business Solutions, LLC, Breast Cancer Angel Network, Inc and 2 real estate businesses, Dr. Jordon specializes in guiding women transitioning from corporate roles to entrepreneurship. Her expertise in leadership coaching, diversity, inclusion and belonging training, and business process improvement has empowered countless professionals to achieve their goals. Her achievements led to her currently being a course facilitator for Cornell University. Dr. Jordon's **Transformational Leadership** is **her superpower**—she doesn't just lead; she **inspires real change** in individuals and organizations, helping them reach new levels of success.

Dr. Jordon's work focuses on cultivating a winning mindset, enhancing communication skills, and inspiring individuals to embrace leadership roles. A certified Maxwell DISC, Emotional Intelligence, and MBTI coach, Dr. Jordon brings a unique blend of assessment tools to her coaching & leadership sessions.

In her years at corporate America, Dr. Jordon led Sales Operations Teams to support the sales force and health care providers with product and medical information. She has also led and managed Employee Contact Center Teams and Employee Relations Teams to support employees and leadership regarding human resources, benefits, payroll and employee relations.

With a passion and gift to help others succeed, Dr. Jordon found that developing leaders and individuals is what she love doing most. She enjoys helping others achieve their personal and professional goals so that they can live their best life.
