“We hired Katie to speak at our annual conference and WE ARE SO GLAD we did! Katie delivered two sessions for us and people are still talking about them. Some of the remarks that were given in the session feedback are: "loved the speaker. she was so engaging and relatable. my favorite of the day" "I really enjoyed how her stories were different between sessions and yet very appropriate. Content was engaging and she is an excellent speaker." In addition to delivering two excellent sessions, Katie was excellent to work with from the discover phase all the way to show day. She helped identify the best sessions for our audience from her extensive catalog of offerings and helped promote our event through her social media channels. I highly recommend hiring Katie for your next event. She will INSPIRE you!”
